Ayer and 14 Other Camps Affected by War Department Plan

## SURPLUS EASTERNERS GOING TO SOUTH

Southern Draft Men to Fill Vacancies in National Guard Regiments

Washington, Oct. 10.—Men in national army cantonments, including Camp Devens at Ayer, Mass., are to be redistributed, southerners to fill up vacancies in three National Guard divisions in southern states and to provide for the organization of an additional draft division of negro troops—eastern to form a supplementary draft division which will be mobilized at Camp Gordon, Atlanta, Ga. The three southern National Guard divisions to be filled up are the Thirtieth, Thirty-first and Thirty-ninth, and drafted men to fill the gaps will come from Camp Jackson, Columbia, S. C.; Camp Gordon, Atlanta, Ga.; and Camp Pike, Little Rock, Ark. Remaining men at these three camps will be consolidated at Camp Jackson to form one national army division. Camp Pike being then empty will be used for a consolidation of men to form a supplemental middle western division of the national army. The only one of the sixteen draft cantonments not affected by the order is Camp Lewis at American lake, Washington. The negro division will be distributed for training at all sixteen cantonments and will not be assembled as a division until ready to sail for France. To fill available excess quarters at draft cantonments regular army regiments will

## Itching Blisters On Baby's Head

And Face. Scalp Sore and Red. Itched so Had to Tie Hands. Hair Fell Out. Head Disfigured. Cuticura Healed in 13 Days.

"My baby had blisters break out on his head and face. His scalp was sore and red and he was very cross and fretful. The breaking out itched and kept him from sleeping, and I had to tie his hands to keep him from scratching. His hair fell out and his head was disfigured. His face was terrible.

"My niece was telling me about Cuticura Soap and Ointment, and I bought them. He was healed in thirteen days." (Signed) Mrs. Felix Smart, 21 Seventh St., Old Town, Me., Aug. 7, 1916.

Cuticura Soap and Ointment are not only most valuable for the treatment of pimples, blackheads, redness and roughness, dandruff and irritated scalps, but their great mission is to prevent such conditions.

## BEEF STOCK PRICES LOWER.

Brighton Market Glutted with Light and Ordinary Cattle.

Brighton, Mass., Oct. 10.—Beef stock was easier at Brighton stockyards yesterday, except for choice, heavy cattle. Hogs were unchanged.

The market was glutted with light and ordinary cattle and such stock sold slowly at easy prices. Tops brought 13 cents and some choice steers sold at 12@12½ cents. Average tops sold at 9½@10½ cents, good cattle at 8@9 cents and light cattle at 6@7 cents. The best offering of the day was a pair of Davons, brought in by Drover W. H. Neal from New Hampshire.

Fancy heifers brought 9@10 cents; but this was extreme, average tops selling at 7@8 cents, with good cows at 5@6 cents, ordinary cows at 4½@5 cents and canner cows at 4@4½ cents.

Calves were again rather easier, with fancy lots bringing 13@13½ cents, bunch lots 12@13 cents, fair lots 10@11 cents, and grassers and drinkers 7@9 cents. Sheep and lambs were not in heavy supply, though quotations were fairly steady at 10@12 cents for lambs and 7@8 cents for sheep.

Hog prices were unchanged, best hogs selling at 19@19½ cents, with rough lots at 18@18½ cents.

There was an ample supply of milk cows, considering the demand, and prices of the ordinary stock were easier. Fancy milkers sold at \$100@1125, the other extreme being about \$10 for an ordinary milker.

Top prices on dressed hogs are not changed for the week, though quotations have taken a wider range, owing to the unusual proportion of light hogs. Boston packers are now quoting 23½@34½ cents, against 24@24½ cents a week ago.

## GIRLS! HAVE WAVY, THICK, GLOSSY HAIR FREE FROM DANDRUFF

Save Your Hair! Double Its Beauty in a Few Moments—Try This!

If you care for heavy hair, that glistens with beauty and is radiant with life; has an incomparable softness and is fluffy and lustrous, try Danderine.

Just one application doubles the beauty of your hair, besides it immediately dissolves every particle of dandruff; you cannot have nice, heavy, healthy hair if you have dandruff. This destructive scurf robs the hair of its luster, its strength and its very life, and if not overcome it produces a feverishness and itching of the scalp; the hair roots famish, loosen and die; then the hair falls out fast.

If your hair has been neglected and is thin, faded, dry, scraggy or too oily, get a 25-cent bottle of Knowlton's Danderine at any drug store or toilet counter; apply a little as directed and ten minutes after you will say this was the best investment you ever made.

We sincerely believe, regardless of everything else advertised, that if you desire soft, lustrous, beautiful hair and lots of it—no dandruff—no itching scalp and no more falling hair—you must use Knowlton's Danderine. If eventually—why not now?—Adv.

## SALTS IF BACKACHE AND KIDNEYS HURT

Stop Eating Meat for a While if Your Bladder Is Troubling You

When you wake up with backache and dull misery in the kidney region, it generally means you have been eating too much meat, says a well-known authority. Meat forms uric acid, which overworks the kidneys in their effort to filter it from the blood, and they become sort of paralyzed and laggard. When your kidneys get sluggish and clog, you must relieve them, like you relieve your bowels; removing all the body's urinous waste, else you have backache, sick headache, dizzy spells; your stomach sour, tongue is coated, and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment, channels often get sore, water scalds, and you are obliged to seek relief two or three times during the night.

Either consult a good, reliable physician at once or get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys, also to neutralize acids in the urine so it no longer irritates, thus ending bladder weakness.

Jad Salts is a life saver for regular meat eaters. It is inexpensive, cannot injure, and makes a delightful, effervescent lithia-water drink.—Adv.
